

CAPABILITY STATEMENT

COMPANY

Applied Engineering Services, Inc. (AES) is a small business incorporated in 1992. Since its inception, AES has maintained a perfect safety record and has established a reputation for providing quality, cost-effective services for design, systems analysis, consulting and project management in several industrial disciplines including; design of rocket engine and component test stands and nuclear support services. AES staff includes experienced licensed professional engineers, surveyors, architects, designers, drafters and inspection personnel. The principal engineering staff at AES has expertise in:

KEY SERVICES:

Mechanical Engineering Design and Analysis
Piping & Pressure Vessel Design and Inspection
Cryogenics and High Pressure Systems Design
Nuclear Hot Cell and Glove Box Design
Remote, Robotic and Automated Systems Design
Structural Engineering Design and Analysis
Concrete Foundation and Pad Design
Surveying
Process Engineering Design
Electrical Engineering Design and Power Distribution
Instrument and Control Design
Solid Modeling and Drafting
Illustrations and Renderings
Welding Process Design
Specification of Coatings
Project and Construction Management
Fabrication and Construction Documentation

COMPANY PRINCIPALS:

David Valentich, Jeanette Hackney, Doug Haas, Henry Welland, Neal Russell and Michael Gifford

CUSTOMERS:

Air Force Research Lab, Edwards Air Force Base, CA
Battelle Energy Alliance (Idaho National Laboratory)
Walsh Engineering
Sierra Engineering
Wyle Laboratories
Federal Aviation Administration
Boeing

COMPANY DESIGNATIONS

Contract Vehicles:

GSA Contract: GS-23F-0285M

SIN 871-2 Concept Development and Requirements Analysis

SIN 871-3 Systems Design, Engineering and Integration

Design Engineering Support Program (DESP) II

Cage Code: 08ZV0

DUNS Number: 805063187

EIN: 820452773

Corporate Structure: Incorporated

Small Business

ORCA: Registered

NAICS CODES:

541330 – Engineering Services

541370 – Surveying and Mapping (except geophysical) Services

541690 – Other Scientific and Technical Consulting Services

541990 – All Other Professional, Scientific, and Technical Services

SIC CODES:

8711- Engineering Services

8712- Architectural Services

8713 – Surveying Services

8731 – Commercial Physical and Biological Services

8741- Management Services
